ONLINE NOTIFICATION

The Wieland online notification is for registered suppliers/forwarders and customers delivering virgin metals or metal scrap to our Vöhringen plant.

In the application, certain time frames can be booked for the deliveries. In addition, you have the possibility to book yourself, on the same day, still unreserved unloading times in a fixed time frame.

In order to be able to unload the vehicle, the following points must be observed:

- The arrival of the vehicles must be notified.
- The drivers must present a delivery note or consignment note from which Wieland's direct contract partner can be seen.
- The drivers must wear safety footwear and produce their identity card/passport when registering at the gate of the Vöhringen plant.

Deliveries with the transit procedure T1 can only be cleared during the opening hours of the Ulm customs office.

Monday to Wednesday: 07:30 a.m. - 03:30 p.m.

Thursday: 07:30 a.m. - 04:45 p.m.

Friday: 07:30 a.m. - 02:30 p.m.

General information

- Make sure to observe the goods receiving and loading time at Wieland-Werke, shown on our website
- If your truck doesn't arrive within the booked time slot, please do not forget, their notification to book to another slot. Otherwise you block an open space that could possibly be used by someone else.
- If you have any further questions about the online notification, about the processes of unloading the metals, don't hesitate to contact our online notification team:

onlineavisierung@wieland.com

Telefon +49(0)731 944-3368
