SURCHARGES

AGGREGATE METAL SURCHARGE

Surcharge \$/100 lbs
\$9.7000

ENERGY SURCHARGE \$/100 LBS

Energy surcharge is based on NYMEX natural gas settlement price for the following month. Depending on the value, the appropriate surcharge will apply.

<https://business.directenergy.com/market-insights/nymex-settlement-history>

MONTH	NYMEX	Surcharge \$/100 lbs
December	\$6.7120	\$3.00

*Daily fluctuations and the overall volatility of the current market require modifications in determining the metal prices. Therefore, we reserve the right to base the final price confirmation on the prevailing metal value at the time of Wieland's metal fixation on the open market.

* These nickel containing alloys continue to be subject to retroactive pricing due to LME market conditions.

ALLOY PRICE SHEET
