8. **RISK / OWNERSHIP**

8.1 Risk of damage to or loss of the Material and any Processed Material will remain with the Buyer and shall not pass to the Company at any time. Ownership of the Materials and any Processed Material will not pass to the Company.

8.2 Risk of damage to or loss of the Goods will pass to the Buyer on delivery (or deemed delivery in accordance with **Condition 7.6**) in accordance with the relevant Incoterm specified in the acknowledgement of order or, if none is specified, when the Goods have been delivered to the Delivery Point specified in the acknowledgement of order.

8.3 Ownership of the Goods will not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of:

- 8.3.1 the Goods; and
- 8.3.2 all other sums which are or which become due to the Company from the Buyer on any account.

8.4 Until ownership of the Goods has passed to the Buyer, the Buyer must:

- 8.4.1 hold the Goods on a fiduciary basis as the Company’s bailee;
- 8.4.2 store the Goods (at no cost to the Company) separately from all other Goods of the Buyer or any third party in such a way that they remain readily identifiable as the Company’s property;
- 8.4.3 not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and
- 8.4.4 maintain the Goods in satisfactory condition insured on the Company’s behalf for their full price against all risks to the reasonable satisfaction of the Company, and will whenever requested by the Company produce a copy of the policy of insurance.

8.5 The Company shall have a general lien on the Goods, Materials and Processed Materials for payment of all amounts due from the Buyer on any account. Amounts shall be deemed to be “due” from the Buyer to the Company upon the date of invoice but shall be payable by the Customer in accordance with the provisions of **Condition 5**. Where an invoice has not been issued at the time of the Company exercising its lien then the amounts “due” to the Company shall include not only those amounts invoiced but also those amounts owing to the Company for the services which it has provided to the Buyer but for which it has not yet issued an invoice.

8.6 The Company may exercise its lien at any time by giving written notice to the Buyer, such notice to specify the amount of the debt owed by the Buyer to the Company or particulars from
which the Buyer may calculate such amount. In the event that the debt for which the lien has been exercised is not fully satisfied within seven days of such notice the Company may sell or otherwise dispose of the Goods, Materials and/or Processed Materials or any part of them at the Buyer’s entire risk and expense by the best method reasonably available and the proceeds of any sale or disposal shall be remitted to the Buyer after deduction therefrom of all expenses and all amounts due to the Company from the Buyer on any account.

8.7 The Goods, Materials and/or Processed Materials will only be released to the Buyer where the Company has been paid all sums owing to it whether or not such sums have been invoiced.

8.8 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:

8.8.1 any sale will be effected in the ordinary course of the Buyer’s business at full market value and the Buyer will account to the Company accordingly; and

8.8.2 any such sale will be a sale of the Company’s property on the Buyer’s own behalf and the Buyer will deal as principal when making such a sale.

8.9 The Buyer’s right to possession of the Goods will terminate immediately if any of the circumstances set out in Condition 13.1 occur.

8.10 The Company will be entitled to recover payment for the Goods notwithstanding that title in any of the Goods has not passed from the Company.

8.11 The Buyer grants the Company, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer’s right to possession has terminated, to recover them.

8.12 Where the Company is unable to determine whether any Goods are the goods in respect of which the Buyer’s right to possession has terminated, the Buyer will be deemed to have sold all goods of the kind sold by the Company to the Buyer in the order in which they were invoiced to the Buyer.

8.13 On termination of the Contract, howsoever caused, the Company’s (but not the Buyer’s) rights contained in this Condition 8 will remain in effect.

9. **BUYER’S WARRANTIES**

9.1 The Buyer warrants that the Materials:

9.1.1 are not hazardous and do not pose any risk to any equipment or goods at the Company’s premises or to the health or safety of the Company’s employees, agents or subcontractors; and
9.1.2 are in good condition and are suitable for the Services to be carried out with/on; and

9.1.3 will not cause any damage to the Company’s machinery in the course of the Services being provided; and

9.1.4 are suitable and sufficient for the Services and (where appropriate) for incorporation into Goods ordered by the Buyer.

9.2 The Buyer further warrants that it is entitled as principal to place orders with the Company for the Services to be carried out on the Material.

9.3 The Buyer agrees to indemnify the Company against all actions, claims, costs, expenses and damages incurred by the Company by reason of any third party claiming the Materials or control over them before, during or after the Services have been provided.

10. COMPANY’S WARRANTIES

10.1 In the event that the Company supplies Goods to the Buyer using materials exclusively sourced by the Company or a third party (i.e. without using any Materials) then the Buyer shall be entitled to benefit from the warranty provisions contained in this Condition 10 (such Goods being known as “Warranted Goods”). For the avoidance of doubt, the Buyer shall not benefit from any warranty provisions stated in this Condition 10 in respect of Processed Material or any Goods incorporating or connected with any Materials.

10.2 The Company warrants the Warranted Goods against defects in materials and workmanship which become apparent within one month after delivery of the Warranted Goods to the Buyer (the “Warranty Period”).

10.3 The Company’s obligation under the warranty in this Condition 10 is limited to repairing or, at the Company’s option, replacing on an exchange basis any Warranted Goods or parts thereof as regards which such defects are detected upon delivery or during normal and proper use during the Warranty Period.

10.4 If the Buyer becomes aware of a defect in the Warranted Goods during the Warranty Period, the Buyer shall promptly supply the Company with written particulars of such defects and provide all necessary access and other reasonable facilities and all information required to enable the Company to ascertain or verify the nature and cause of the defect claimed and carry out its warranty obligations.

10.5 The warranty shall neither apply to any defect which results in the Company’s opinion from normal wear and tear, nor to any defect wholly or partially caused by an alteration or addition to the Warranted Goods other than by the Company, or by use or storage of the Warranted Goods in a manner reasonably considered by the Company to be improper, or for purposes
for which the Warranted Goods were not designed, or by accident, neglect or events beyond the Company's control occurring after physical delivery of the Warranted Goods to the Buyer or its agents or carrier.

10.6 When any defective Warranted Goods are replaced on an exchange basis or defective Warranted Goods are repaired, this Condition shall apply to the replacement or repaired Warranted Goods.

11. LIABILITY

11.1 As the Goods and Processed Materials are incorporated into other goods which are not designed or manufactured by the Company, the Buyer accepts that it is reasonable that if, and insofar as the Company may be held to be legally liable to the Buyer, the Buyer’s right of redress against the Company shall be limited as expressly provided for in these Terms and Conditions.

11.2 In the event of any breach of the Company’s warranty obligations under Condition 10, it shall pay monetary damages to the Buyer not exceeding the purchase price paid by the Buyer in respect of the defective Goods or Services and the reasonable cost of any repairs thereto carried out by third parties with the Company’s express written permission.

11.3 The Company does not exclude its liability (if any) to the Buyer:

11.3.1 for breach of the Company’s obligations arising under section 12 Sale of Goods Act 1979 or section 2 Sale and Supply of Goods and Services Act 1982;

11.3.2 for personal injury or death resulting from the Company’s negligence;

11.3.3 under section 2(3) Consumer Protection Act 1987;

11.3.4 for any matter for which it would be illegal for the Company to exclude or to attempt to exclude its liability; or

11.3.5 for fraud.

11.4 Except as provided in Conditions 7.4 and 11.2, the Company will be under no liability to the Buyer whatsoever (whether in contract, tort (including negligence), breach of statutory duty, restitution or otherwise) for any injury, death, damage or direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and like loss) howsoever caused arising out of or in connection with:

11.4.1 any of the Goods or the Processed Materials, or the manufacture or sale or supply, or failure or delay in supply, of the Goods or Processed Materials by
11.4 The Company or on the part of the Company's employees, agents or sub-contractors;

11.4.2 any breach by the Company of any of the express or implied terms of the Contract;

11.4.3 any use made or resale by the Buyer of any of the Goods or Processed Material, or of any product incorporating any of the Goods or Processed Material;

11.4.4 any statement made or not made, or advice given or not given, by or on behalf of the Company;

11.4.5 any loss or damage of whatsoever kind to any premises, plant or tangible property belonging to the Buyer.

11.5 Except as set out in Condition 7.4, the Company hereby excludes to the fullest extent permissible in law, all conditions, warranties and stipulations, express (other than those set out in the Contract) or implied, statutory, customary or otherwise which, but for such exclusion, would or might subsist in favour of the Buyer.

11.6 Each of the Company's employees, agents and sub-contractors may rely upon and enforce the exclusions and restrictions of liability in these Terms and Conditions in that person's own name and for that person's own benefit, as if the words “its employees, agents and sub-contractors” followed the word Company wherever it appears in those clauses.

11.7 The Buyer acknowledges that the above provisions of this Condition 11 are reasonable and reflected in the price which would be higher without those provisions, and the Buyer will accept such risk and/or insure accordingly.

11.8 The Buyer agrees to indemnify, keep indemnified and hold harmless the Company from and against all costs (including the costs of enforcement), expenses, liabilities (including any tax liability), injuries, direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and like loss), damages, claims, demands, proceedings or legal costs (on a full indemnity basis) and judgments which the Company incurs or suffers as a consequence of a direct or indirect breach or negligent performance or failure in performance by the Buyer of the terms of the Contract.

11.9 The Company will be entitled but not obliged at any time or times, without notice to the Buyer, to set off any liability of the Buyer to the Company against any liability of the Company to the Buyer (in either case howsoever arising and whether any such liability if present or future, liquidated or unliquidated and irrespective of the currency) and may for such purpose convert or exchange any sums owing to the Company into any other currency or currencies in which the obligations of the Buyer are payable under this Agreement. The Company’s rights under
this Condition 11.9 will be without prejudice to any other rights or remedies available to the Company under the Contract or otherwise.

12. **FORCE MAJEURE**

12.1 The Company will be deemed not to be in breach of the Contract or otherwise liable to the Buyer in any manner whatsoever for any failure or delay in performing its obligations under the Contract due to Force Majeure, provided that it has and continues to comply with its obligations set out in Condition 12.2.

12.2 If the Company's performance of its obligations under the Contract is affected by Force Majeure:

   12.2.1 it will give written notice to the Buyer, specifying the nature and extent of the Force Majeure, as soon as reasonably practicable after becoming aware of the Force Majeure and will at all times use all reasonable endeavours to bring the Force Majeure event to an end and, whilst the Force Majeure is continuing, mitigate its severity, without being obliged to incur any expenditure;

   12.2.2 subject to the provisions of Condition 12.3, the date for performance of such obligation will be deemed suspended only for a period equal to the delay caused by such event; and

   12.2.3 it will not be entitled to payment from the Buyer in respect of extra costs and expenses incurred by virtue of the Force Majeure.

12.3 If the Force Majeure in question continues for more than three months, either party may give written notice to the other to terminate the Contract. The notice to terminate must specify the termination date, which must not be less than 15 days after the date on which the notice is given, and once such notice has been validly given, the Contract will terminate on that termination date.

13. **TERMINATION**

13.1 The Company may by notice in writing served on the Buyer terminate the Contract immediately if the Buyer:

   13.1.1 is in material breach of any of the terms of the Contract and, where the breach is capable of remedy, the Buyer fails to remedy such breach within 15 days service of a written notice from the Company, specifying the breach and requiring it to be remedied. Failure to pay any sums due in accordance with Condition 5.1 is a material breach of the terms of the Contract which is not capable of remedy.
13.1.2 has any distraint, execution or other process levied or enforced on any of its property;

13.1.3 ceases to trade or appears in the reasonable opinion of the Company likely or is threatening to cease to trade within seven days;

13.1.4 in the Company’s reasonable opinion is unlikely to pay any of the Company’s invoices

13.1.5 the equivalent of any of the above occurs to the Buyer under the jurisdiction to which the Buyer is subject or the Company reasonably anticipates that one of the above set of circumstances is about to occur.

13.2 The termination of the Contract howsoever arising is without prejudice to the rights, duties and liabilities of either the Buyer or the Company accrued prior to termination and the conditions which expressly or impliedly have effect after termination will continue to be enforceable notwithstanding termination.

13.3 The Company will be entitled to suspend any deliveries or performance otherwise due to occur following service of a notice specifying a breach under Condition 13.1.1, until either the breach is remedied or the Contract terminates, whichever occurs first.

14. CONFIDENTIALITY

14.1 Except as agreed between the parties, the Buyer will keep confidential any and all Confidential Information that it may acquire.

14.2 The Buyer will not use the Confidential Information for any purpose other than to perform its obligations under the Contract. The Buyer will ensure that its officers and employees comply with the provisions of this Condition 14.

14.3 The obligations on the Buyer set out in Condition 14.1 and 14.2 will not apply to any information which:

14.3.1 is publicly available or becomes publicly available through no act or omission of the Buyer; or

14.3.2 the Buyer is required to disclose by order of a court of competent jurisdiction.

15. HEALTH AND SAFETY

The Buyer agrees to pay due regard to any information or advice relating to the use of the Goods or Processed Materials which the Company may at any time furnish to it and agrees
that before the Goods are used it will, if required by the Company, furnish the Company with a written undertaking to take any steps which the Company may specify with a view to ensuring that the Goods will be safe and without risk to health when used.

16. **GENERAL**

16.1 Each right or remedy of the Company under any Contract is without prejudice to any other right or remedy of the Company under this or any other Contract.

16.2 If any condition or part of the Contract is found by any court, tribunal, administrative body or authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision will, to the extent required, be severed from the Contract and will be ineffective without, as far as is possible, modifying any other provision or part of the Contract and this will not affect any other provisions of the Contract which will remain in full force and effect.

16.3 No failure or delay by the Company to exercise any right, power or remedy will operate as a waiver of it nor will any partial exercise preclude any further exercise of the same, or of some other right, power or remedy.

16.4 The Company may assign, delegate, license, hold on trust or sub-contract all or any part of its rights or obligations under the Contract.

16.5 The Contract is personal to the Buyer who may not assign, delegate, license, hold on trust or sub-contract all or any of its rights or obligations under the Contract without the Company’s prior written consent.

16.6 The parties to the Contract do not intend that any of its terms will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person not a party to it.

16.7 The Contract and the Specification contains all the terms which the Company and the Buyer have agreed in relation to the Goods and Services and supersedes any prior written or oral agreements, representations or understandings between the parties relating to such Goods or Services. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Company which is not set out in the Contract or Specification. Nothing in this Condition 16.7 will exclude any liability which one party would otherwise have to the other party in respect of any statements made fraudulently.

16.8 The formation, existence, construction, performance, validity and all aspects whatsoever of the Contract or of any term of the Contract will be governed by English law. The English Courts will have exclusive non-exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Contract. The parties agree to submit to that jurisdiction.
