1 Identification

1.1 Product identifier
   Trade name: Wieland-K42

1.2 Relevant identified uses of the substance or mixture and uses advised against
   No further relevant information available.
   Application of the article: Semi-finished product

1.3 Details of the supplier of the safety data sheet
   Manufacturer/Supplier:
   Wieland-Werke AG
   Graf-Arco-Str. 36
   89079 Ulm
   Information department:
   Associations & Management Systems
   stefan.priggemeyer@wieland.com

1.4 Emergency telephone number: +49 731 944 2794 (Monday - Friday from 9 a.m. to 4 p.m.)

2 Hazard(s) identification

2.1 Classification of the substance or mixture
   Classification according to Regulation (EC) No 1272/2008 (CLP-Regulation):
   The product is not classified, according to the CLP regulation.

2.2 Label elements
   Labelling according to Regulation (EC) No 1272/2008: Void
   Hazard pictograms: Void
   Signal word: Void
   Hazard-determining components of labeling: Void
   Hazard statements: Void

2.3 Other hazards
   Semi-finished products from copper or copper-alloys, as offered for sale as manufactured present no
   health hazard to man or for the aquatic environment.
   Results of PBT and vPvB assessment
   PBT: Not applicable to metals.
   vPvB: Not applicable to metals.

3 Composition/information on ingredients

   Description: Metal in compact form.
   Material Code (CEN/TS 13388): CuZn0.5
   Material number (CEN/TS 13388): CW119C
   UNS-number: -

   Information:
   The classifications listed below reflect the classification of the relevant alloying constituents and are only
   for information.
   Mentioned percentages are references values.
   Components:

<table>

4 First-aid measures

4.1 Description of first aid measures

· General information:
  First Aid information refer to any dust which is generated.
  The mixture in solid form does not pose any significant health hazard. However, melting or activities
  which produce metal dust, smoke or fumes can cause that metal dust enter the body in harmful
  amounts.

· After inhalation:
  Supply fresh air and to be sure call for a doctor.
  In case of unconsciousness place patient stably in side position for transportation.

· After skin contact:
  Immediately wash with water and soap and rinse thoroughly.

· After eye contact:
  Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.
  After swallowing: Rinse out mouth and then drink plenty of water.

4.2 Most important symptoms and effects, both acute and delayed:

No further relevant information available.

4.3 Indication of any immediate medical attention and special treatment needed:

No further relevant information available.

5 Fire-fighting measures

5.1 Extinguishing media

· Suitable extinguishing agents: Non-flammable. Use fire fighting measures that suit the environment.

5.2 Special hazards arising from the substance or mixture

No further relevant information available.

5.3 Advice for firefighters

· Protective equipment: No special measures required.

6 Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures: Not required.

6.2 Environmental precautions: Not required
Trade name: Wieland-K42

6.3 Methods and material for containment and cleaning up:
Collect the material and if necessary dispose it as waste according to section 13.

6.4 Reference to other sections:
See Section 7 for information on safe handling.
See Section 8 for information on personal protection equipment.
See Section 13 for disposal information.

7 Handling and storage

7.1 Precautions for safe handling:
No special measures required.

7.2 Conditions for safe storage, including any incompatibilities
Storage:
Requirements to be met by storerooms and receptacles: No special requirements.
Further information about storage conditions: Store in dry conditions.

7.3 Specific end use(s):
No further relevant information available.

8 Exposure controls/personal protection

Additional information about design of technical systems: No further data; see item 7.

8.1 Control parameters
Components with limit values that require monitoring at the workplace:
The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

Additional Occupational Exposure Limit Values for possible hazards during processing:

<table>
<thead>

</tbody>
</table>

Additional information: The lists that were valid during the creation were used as basis.

8.2 Exposure controls
Personal protective equipment:
General protective and hygienic measures:
Keep away from foodstuffs, beverages and feed.
Wash hands before breaks and at the end of work.
Store protective clothing separately.
Do not inhale dust / smoke / mist.
Breathing equipment: Use a suitable industrial gas mask when work-place-limits are exceeded.
Trade name: Wieland-K42

- Protection of hands:
  Protective gloves are recommended, depending upon how the semis are further processed.
- Material of gloves neoprene or leather
- Eye protection:
  Protective goggles are recommended, depending upon how the semis are further processed.
- Body protection:
  Wear suitable protective clothing, depending upon how the semis are further processed.

9 Physical and chemical properties

- 9.1 Information on basic physical and chemical properties
  - General Information
    - Appearance:
      - Form: Solid
      - Color: Copper red
      - Odor: Odorless
      - Odor threshold: Not determined.
      - Change in condition
        - Melting point/Melting range: 1050-1083 °C (1922-1981.4 °F) (Lit.)
        - Boiling point/Boiling range: Undetermined.
        - Flash point: Not applicable.
        - Danger of explosion: Product does not present an explosion hazard.
        - Density at 20 °C (68 °F): 8.9 g/cm³ (74.2705 lbs/gal) (Lit.)
        - Solvent content:
          - VOC content: 0.00 %
  - 9.2 Other information
    - No further relevant information available.

10 Stability and reactivity

- 10.1 Reactivity: Not applicable.
- 10.2 Chemical stability: Not applicable.
- Thermal decomposition / conditions to be avoided:
  No decomposition if used according to specifications.
- 10.3 Possibility of hazardous reactions: No dangerous reactions known.
- 10.4 Conditions to avoid: No further relevant information available.
- 10.5 Incompatible materials: No further relevant information available.
- 10.6 Hazardous decomposition products: No dangerous decomposition products known.

11 Toxicological information

- General information:
  The solid product does not pose a health hazard if handled properly.
Trade name: **Wieland-K42**

Effect on the skin: No effects.
Effect on eyes: No effects.
Sensitization: Due to the nickel content avoid direct and prolonged skin contact.

* 12 Ecological information

  * 12.2 Persistence and degradability: No further relevant information available.
  * 12.3 Bioaccumulative potential: No further relevant information available.
  * 12.4 Mobility in soil: No further relevant information available.
    - General notes: Semi-finished articles from copper and copper-alloys are not soluble in water.
  * 12.5 Results of PBT and vPvB assessment
    - PBT: Not applicable to metals.
    - vPvB: Not applicable to metals.
  * 12.6 Other adverse effects: No further relevant information available.

* 13 Disposal considerations

  * 13.1 Waste treatment methods
    - Recommendation: Contact manufacturer for recycling information.
    - Waste disposal key:
      - 12 01 03: Non-ferrous metal fillings and turnings
      - 16 01 18: Non-ferrous metal for non-contaminated waste

* 14 Transport information

  * 14.1 UN-Number
    - DOT, ADR, ADN, IMDG, IATA: Void
  * 14.2 UN proper shipping name
    - DOT, ADR, ADN, IMDG, IATA: Void
  * 14.3 Transport hazard class(es)
    - DOT, ADR, ADN, IMDG, IATA: Void
  * 14.4 Packing group
    - DOT, ADR, IMDG, IATA: Void
  * 14.5 Environmental hazards:
    - Marine pollutant: No
  * 14.6 Special precautions for user: Not applicable.
14.7 Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code: Not applicable.

15 Regulatory information

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

Sara

- Section 355 (extremely hazardous substances):
  None of the ingredients is listed.

- Section 313 (Specific toxic chemical listings):
  All ingredients are listed.
