wieland

ISO 14001 2015 and ISO 45001 2018

What is ISO 14001?
ISO 14001:2015 and ISO45001:2018 is an internationally known standard being implemented by Wieland. The goal of ISO 14001 is to protect our environment and prevent pollution. The goal of ISO 45001 to protect our employees and prevent accidents.

Occupational Health, Safety and Environmental Policy Statement
The OHS&E policy may be found at the Wieland homepage, in our lobby at the Wheeling facility and on EHS communication boards. http://www.wielandmetals.com/internet/en/quality_and_environment/environmentfulltext.jsp

Notification
Wieland requires its Suppliers / Vendors to notify Wieland of any changes which can have an effect on the environment. These changes can be to the environment in and around Wieland or by Wieland's products.

Significant Aspects/Impacts
Please note that these aspects exist at the Wheeling, IL, plant. If you have any questions or concerns, please speak with your Wheeling contact.
