

Safety rules for visitors

Your personal safety is important to us.
Please observe our rules and support us by acting carefully.

Reception

Please come first to our administration building Turmstr. 61, first floor, for registration.
We do not have an elevator, please speak to us if you would like us to meet you downstairs at the entrance.

Do not enter the assembly hall and workshops without your Wieland Anlagentechnik attendant and follow all safety instructions.
Stay on the paths marked for pedestrians.

On the company premises

Wear safety shoes in all assembly and workshop areas.
If available, please bring your own safety shoes.
Please wear long-sleeved clothing and no shorts or skirts.

Use the doors intended for pedestrians.
Do not walk through the hall doors.
Do not stand under suspended loads.

Watch out for vehicles and pedestrians throughout the plant premises.
The maximum speed on the company premises is 10 km/h.

Do not touch materials or machines. The surfaces could be hot or sharp-edged.

Smoking is prohibited in the buildings.

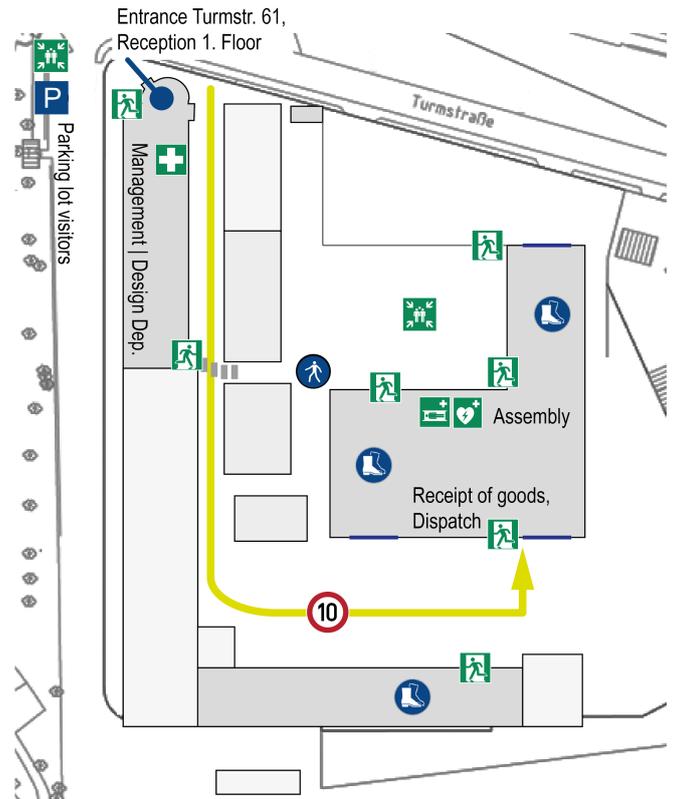

The consumption of alcoholic beverages and other intoxicants is not permitted. The company premises may not be entered under the influence of alcohol or intoxicants.
